## FIELD SERVICE / FACILITY MANAGEMENT

### REMOTE SUPPORT

With a Getac digital mobile office, a seasoned experts can remotely mentor and guide more junior engineers with in-the-field training. Device screens with high readability capacity even outdoors that at the same time allow real-time connectivity; facilitate high-quality remote support anywhere, minimizing costs and making support more efficient.

### WORKPLACE SAFETY

Oil and gas emergencies require quick and precise responses to prevent accidents as safety should always come first. Our solutions include intrinsically safe devices with ATEX and ANSI certifications. The accessories provide comfortable handsfree carrying options to keep workers safer.

# WAREHOUSING

## STOCK MANAGEMENT

Getac's demountable solutions with barcode scanning capability are ideal for inventory management, shipping, picking/packing, loading and unloading supplies. ATEX and ANSI certifications enable stock management even in hazardous environments.
