# SHOULDER STRAP 2-point-GMS2X8

## Features & Benefits

This shoulder strap attaches via two holders at the back of the tablet and is adjustable to fit most body sizes for both cross-body and shoulder carry. With its durable, sturdy design, the strap not only provides a comfortable, grip-free carrying option of the tablet but also helps in avoiding accidental drops while on the move. The shoulder strap can also attach to the detachable keyboard (sold separately) via two D-rings on the built-in handle.
