FOLIO CASE

FEATURES & BENEFITS

Specifically designed for the UX10, the folio case features a durable, leather-look cover that perfectly wraps around the tablet to protect it from scrapes, dirt, and impact without getting in the way of accessing ports and controls.The front flap with built-in anti-slip stripes allows you to set up multiple horizontal stand angles for handsfree viewing. A pen holder is also integrated into the case for easy access and storage of your stylus or digitizer pen. For added convenience, the case includes four D-ring connectors for easy attachment of the shoulder strap or shoulder harness (sold separately). This provides versatility and allows the tablet to be transported in a number of ways.
