## BEYOND EXPECTATION

The new standard warranties for our fully rugged products go beyond what you might expect and make the decision of choosing Getac that much easier.

With accidental damage now included in 3 or 5 year fully rugged warranty packages you can be assured your units will be back up and running without the worry of additional cost or extended downtime should the unexpected happen.

### TOTAL REPLACEMENT

If your unit cannot be repaired Getac will replace it with a unit of equal or greater specification.

### HASSLE FREE

No more internal challenges waiting for estimates and approvals, just report your product issue via our Service Request system and we'll take care of the rest.

### NO SURPRISES

Have the confidence that your project budget is fixed with no surprises regardless of failure, accident or market fluctuations.

SERVICE & SUPPORT = TOTAL CARE
