	4th Gen Core	9.1.43.3004	9.1.45.3000	3/Oct	<a href="https://us.getac.com/inc/reader.aspx?fileid=109109&amp;cateid=100183">https://us.getac.com/inc/reader.aspx?fileid=109109&amp;cateid=100183</a>

Note: Please power off then power on your system after driver and ME FW update

Note: For Intel® Active Management Technology, there is no planned Intel® Manageability Engine firmware update for versions 3.x-8.x because those versions are no longer supported.

Note: ATOM platform does not support Intel® Active Management Technology
